

VIP REFERRAL PROGRAM

The finest compliment is when our patients refer their friends and family to our practice. Your expression of confidence in us is greatly appreciated.

At Freed Plastic Surgery, we are grateful for your referrals. As a way to say **THANK YOU** for referring cosmetic surgery patients to our practice, we would like to offer you a gift. For every hour of cosmetic surgery your referred friend has, you will receive a **\$25 credit at Vibrance Medical Spa.**

Simply fill out **SECTION 1** of this form and give it to your friend. Once he/she has had cosmetic surgery, they will fill out **SECTION 2** of this form and bring or mail it to the office.

Again, thank you for your trust and referral.
