FREED PLASTIC SURGERY MEDICAL CENTER

We have entered an age of extreme complexity in regards to the various insurance policies that each insurance company provides. Because of this, it has become necessary for our office to place the responsibility of understanding the requirements of your particular insurance policy on you. This includes, but is not limited to, knowing which facilities can be used for laboratory, hospitalization, or outpatient surgery. Also, it is critical that you notify our staff of any insurance changes you may have.

Please be aware that you are responsible for co-payments, deductibles, non-covered services and/or amounts that insurance denies. If you have HMO insurance, we ask that you obtain a referral from your primary care physician before you schedule an appointment with our office. You may be held financially responsible if a referral/authorization is not obtained prior to your visit. Upon request, a payment arrangement may be discussed with our financial coordinator and reviewed for implementation.

After your consultation with Dr. Freed, our Insurance Coordinator will contact your insurance company to determine if prior-authorization is required for the proposed procedure. **It can take up to 10-30 business days for your insurance company to process an authorization request.** Please do not schedule any further appointments or surgery prior to insurance approval.

Our staff is happy to assist you in any way that we can. However, if you are planning on utilizing your insurance company for any or all of the payment to Dr. Freed, then please note that you are ultimately responsible for understanding your policy completely.

Please sign below stating that you understand this policy. Thank you for choosing Dr. Freed for your medical care. We are committed to providing the best possible care.

OFFICE PROCEDURE AND SURGERY CANCELLATION POLICY

Please take time to read the following information regarding our surgery scheduling and rescheduling policy.

We realize that a situation may arise that could force you to postpone your surgery. Please understand that such changes affect not only Dr. Freed and our staff, but other patients as well. Before scheduling a surgery, please review carefully, then sign and date this form to show that you have read and understand this policy.

***SURGERY START-TIME FOR THE AMBULATORY CENTER

Surgeries in the ambulatory center are done between the hours of 7:00AM – 2:00PM. Patients are notified of their check-in and surgery start-time at their pre-op appointment with Dr. Freed one week prior to surgery. Please be aware that we are a medical facility performing multiple individualized surgeries and we may need to adjust our surgery schedule based on varying conditions/situations that may arise. Assigned surgery times are subject to change by Dr. Freed and our anesthesiologist up to 24 hours before surgery. While we wish we could accommodate everyone's preferred start time, we ask that patients please understand we cannot guarantee surgery time, and that they and their transportation remain flexible on the scheduled surgery day during the ambulatory center hours. Thank you.

SCHEDULING SURGERY OR AN IN-OFFICE PROCEDURE

To schedule your surgery or a cosmetic procedure as an in-office procedure with Dr. Freed, we require that you pay a \$750.00 booking fee. The remaining balance will be due in full, two weeks prior to your procedure. A 5% discount is offered off the professional fee if these fees are paid by cashier's check or money order. **Because of processing fees that are incurred when scheduling and coordinating procedures, this \$750.00 booking fee is non-refundable if cancelled.**

RESCHEDULING SURGERY

It is important that when you schedule your surgery with Dr. Freed you have thoroughly checked out your personal calendar to make sure that your scheduled surgery date is ideal for you. **There is a \$250 charge for each time a surgery is rescheduled. This fee will not be applied towards your surgery and will be added as a charge to your surgical quote.** This fee helps cover the administrative and staffing costs that it takes to reschedule your surgery and corresponding appointments along with any supplies, products, and staff personnel that have been specifically booked or ordered for your original surgery date.

CANCELLING SURGERY

Surgery must be cancelled or rescheduled a minimum of 2 weeks prior to the scheduled time in order to receive a refund, however **the \$750 booking fee will not be refunded.**

INSURANCE CASES

If surgery (insurance) is cancelled or rescheduled less than 14 days prior to the surgery date a \$100.00 fee is charged. The fee is charged to the patient, not the insurance company.

RETURNED CHECK FEE \$25.00

I have read, understood, and accept the above policies.
